NTSA Postal League

Welcome to the first ever Postal League for the sport of Target Shotgun. The league is open to all shooters.

The competition is calculated on the submissions of scores from four matches, two Timed & Precision and two Multi Target courses of fire.

There are three gun divisions. Shooters may compete in more than one division by submitting separate score sheets for each division.

Each match may be shot at any time throughout the nine month period between 1st March and 30th November. The match scores may come from any club match or from any NTSA competition held within the period.

For you scores to qualify they must be recorded on the attached score sheet on the day of the competition and each match signed by the competitor and a witnessing range official. They must also be accompanied by photos of each target scored. (Use your smart phone or tablet) However, any match submitted from a NTSA sanctioned match will not require photos to be submitted.

When all four matches have been completed the score sheet should be submitted for inclusion in the final results. Please see the score sheet for ways of submitting your scores.

The courses of fire for each competition are listed below. Please note that matches shot at either 25 or 30 yards will be accepted and will be accepted as scoring equally. Not all ranges are able to shoot at the NTSA Championship distance of 30 yards.

Team Competition - Teams of 3 shooters from the same club may be entered into the team competition by completing the team form below. More than one team may be entered and the team members may shoot in any division.

If you have any questions about the Postal League email Vanessa Duffy via ntsachair@gmail.com

Timed & Precision – (Target to be used DP2 x 1)

Practice 1 25/30M

12 rounds in two minutes to include reload.

Practice 2 20m

Targets will make 6 appearances of 2 seconds with an away time of 5 seconds. One shot to be fired on each appearance. Gun must return to start position after each appearance. Repeated.

Practice 3 15m

Targets will make 3 appearances of 3 seconds with an away time of 5 seconds. Two shots to be fired on each appearance. Gun must return to start position after each appearance.

Multi Target – (Targets to be used DP1 x 2)

Practice 1 – 30/25 Meters

6 rounds in 15 seconds on your left hand target.

Practice 2 - 25 Meters

3 Rounds on each target in 10 Seconds

Practice 3 - 20 Meters

Targets will make 3 appearances of 3 seconds with an away time of 5 seconds. Two shots to be fired on your right hand target on each appearance. Gun must return to start position after each appearance of the targets.

Practice 4 - 15 Meters

3 Rounds on each target in 8 Seconds
